

SICO's best technology

KING
PARFUM DE

Ref: A02147 ANTIGUM 400ML KING

Special professional formula.

Doesn't stain.

Removes chewing gum stains, candy, tar ... on fabrics, carpets, unvarnished wood, laminate, linoleum, bitumen, tiles.

Its cooling action also allows the retraction of the male parts in mechanical use and to lower the temperature of the thermostats probes in order to activate them.

Can also be used to remove dust.

INSTRUCTIONS FOR USE

Put the tube into the valve hole.

Gum remover : Spray 1 to 3 seconds on the pasty body, which is thus directly hardened. Immediately remove it by breaking it (using a brush or a hard object) .Close the action by brushing to eliminate all residues.

Cooling action: Spray 5 to 10 seconds on the male part to retract it.

Or spray until the thermostat is activated.

Blower: do not shake the aerosol, hold it upside down and spray on the surface to be vacuum cleaned.
