

COPPER & METAL RENO'

Ref. A27057 - 200mL

QUICK
TECH

**CLEANING
AND STRIPPING**

To clean, maintain and shine all metals.

- Applies to all metals
- Hydrocarbon-free
- 94% natural-origin ingredients

APPLICATION

Cleans, maintains, and shines your metal surfaces.
Recommended for cleaning your copper, brass, zinc, bronze, etc. objects.

Deoxidizes, cleans, and shines metal without scratching.
Removes fingerprints.

Its creamy texture makes it easy to apply.

Hydrocarbon-free.

**Product complies with the decree relating to materials that may be used in the cleaning of materials and objects intended to come into contact with foodstuffs. Rinsing is required.*

INSTRUCTION

On a soft cloth, place a small amount of the product to be tested (for small areas) or apply it directly to the surface (for large areas).

Using a back-and-forth motion, gently rub the surface to be cleaned without letting the product dry.

Wipe off any excess product.

Rinse with water and dry with a soft cloth.

RECOMMENDED FOR

- Cleaning companies
- Kitchens
- Retirement homes, hospitals
- Schools
- Industry
- Offices
- Automotive
