## Réf: A02108 YELLOW WAX 5L KING

The yellow wax is intended for application on floors and more particularly on wood floors .

Thanks to its formula enriched with nourishing beeswax, it embellishes the wood and brings a bright and lasting shine.

Formulated with turpentine essence, beeswax, carnauba wax, and crystalline wax.

Thanks to its antistatic and waterproof properties, the wax creates a dust-proof, stain and water-resistant protective film. The treated surfaces stay clean longer.

Manual use or application with a single-disc machine.

### INSTRUCTIONS FOR USE

Apply on a clean, dry surface. Spread a layer of wax with a cotton cloth, or a broom applicator, or a single-disc machine. Let it dry, then polish with a wool or cotton cloth placed on a broom or with a white disc. In maintenance, polish with a wool or cotton cloth placed on a broom, or with a white disk to restore brilliance. Periodically, carry out this operation by instilling a few drops in order to bring protection and brightness to the wood.

Yield: between 8 and 16g per m<sup>2</sup>.  
5L can treat 250 to 500m<sup>2</sup>, that is:

- A first layer of 125 to 250m<sup>2</sup>
- A second layer of 125 to 250m<sup>2</sup>

### PACKAGING

Can of 5L net

Box of 4 units

Palletizing: 128 units - 32 boxes

### LEGISLATION

Dangerous. Observe precautions for use.

Consult the security data sheet (SDS), available on request.
