

YELLOW LIQUID WAX

A02251 - 5L

Allows the cleaning of floors and more particularly parquet and wooden floors.

- Formula enriched with beeswax
- Long-lasting surface cleanliness

● Application:

The yellow wax is intended for application on floors and more particularly on parquet and wooden floors. Thanks to its formula enriched with nourishing beeswax, it beautifies the wood and provides a bright and lasting shine.

Formulated with turpentine, beeswax, carnauba wax, and crystalline wax.

Thanks to its antistatic and water-repellent properties, the wax creates a protective film dustproof, stain resistant and water resistant.

● Directions for use:

Apply to a clean, dry surface. Spread a layer of wax, spread it with a cotton cloth, or an applicator broom, or a single brush fitted with a disc.

Let it dry, then buff with a wool or cotton cloth placed on a broom or with a white disc.

For maintenance, buff with a wool or cotton cloth placed on a broom, or with a white disc to restore shine.

● Areas of use:

- Furniture \u0026; woodwork

● Packaging:

Packaging unit (U.C): 5L can
