

CARPET SHAMPOO

A16260 - 750ML

Allows cleaning and maintenance of textile floor coverings.

- Silicone-free
- Weather resistant

● Application:

Dry foam with great wetting and cleaning power, compatible with all types of textile fibers; the product acts by capillary action.

For cleaning and degreasing all textile floor coverings as well as covers, clothing, etc.

Use on seats, carpets, door trim, covers, rugs,

Use is made very easy by the head-down operation.

TECHNICAL DATA:

Odor: Glycol / Color: / Density: 1 +/- 0.02 / pH: 10.2 +/- 0.5

● Directions for use:

Clean the surface to be treated with a vacuum cleaner beforehand.

Shake the aerosol before use.

Orient the box upside down, then spray evenly and without excess 40 cm from the surface to be treated.

Spread in a thin, even layer, rubbing the stains with a brush or broom to thoroughly impregnate the fibers. Leave to act for ten minutes.

As it dries, the foam treats the fibers in depth.

Rub again with a clean, dry cloth. The foam has literally absorbed the dirt which now permeates the cloth.

After complete drying, vacuum or brush carefully.

For colors, do a test beforehand.

Store at a temperature above 5°C.
