

Ref: A19200 SUPER-STRONG COMPRESSED AIR DUSTER 400ML KING

Removes dust from fragile surfaces.

- ✓ **Super strong**
- ✓ **Extension tube for to hard-to-reach areas**
- ✓ **Removes dust from fragile surfaces without abrasive action**

APPLICATION

Extra-strong duster for all surface types.

Pure and neutral compressed air cleans the most fragile surfaces without abrasive action.

Extension tube with wide diameter on nozzle for high performance even in hard-to-reach areas.

Removes dust from all fragile services: readers, optical drives, cameras, typesetters, watches and clocks, glasses, card and CD readers, computers, microscopic equipment, etc.

RECOMMENDED FOR

- Offices
- Multimedia stores
- Printers
- Computer labs: schools, university libraries,
- Internet cafés
- etc.

INSTRUCTIONS FOR USE

Do not use near sources of heat.

Only use in well-ventilated area.

Switch off power before use. Switch off and wait for equipment to cool down before use.

Place the extension tube in the hole in the nozzle for optimal results.

Product can freeze. Spray in short bursts at least 20 cm from the area to be cleaned.

Spray in short bursts.

Do not shake during use.

Always hold can upright when in use (do not tilt when full).
