

Ref.: A22131 MULTIPURPOSE INSECT BARRIER 500ML KING

Repels all flying and crawling insects.

- ✓ **1 container = 50 linear metres**
- ✓ **Effectiveness proven by an external laboratory**

**REPULSIVE
ACTION**

APPLICATION

Effectively repels flying and crawling insects: flies, mosquitoes, wasps, mites, dust mites, fleas, lice, ticks, spiders, cockroaches, ants etc.

The repellent action of pyrethrum deters insects from the treated surfaces.

Repellent effectiveness proven in external laboratory on houseflies and on German cockroaches: **> 80% of insects are repelled.**

Ready to use, water-based solution.

RECOMMENDED FOR

Indoor use:

- Door and window frames
- Curtains
- Skirting boards,
- Piping
- Woodwork
- Cracks
- Ventilation holes
- Underneath cupboards, etc.

INSTRUCTIONS FOR USE

Shake before use.

Recommended dose: 10g (16 sprays) per linear metre.

Spray on door and window frames, and any other areas where insects may pass or hide: skirting

boards, pipes, woodwork, cracks, ventilation holes, under cupboards, etc.

Repeat application after washing the surfaces.

1 500 ml container provides protection for 50 linear metres.
